I implore the committee to recommend Parliament to pass this legislation.

Hi, I'm [REDACTED] and am a student of life.

I believe it is essential to provide healthcare to babies who are born alive during an abortion. Seeing as the baby is born alive I believe it should be treated as any other baby born alive in a voluntary manner due to it being alive.

I believe that the protection of the most vulnerable members of the community, being newborn babies is a vital government responsibility.

If the Government fails to pass this legislation it will lead to more cruel and traumatic circumstances for some newborn babies.

Sincerely, [REDACTED]
