If this committee fails to recommend this bill then it also will be condemned by all healthy minded persons in Queensland.

Hi, [REDACTED] and I have been a concerned adult citizen of Queensland for more than 50 years. An aborted baby born alive is a human being and should be given the same protection as other persons as set out under sections 285 and 286 of the Queensland Criminal Code. Why are babies excluded from the protection given under Sections 285 and 286 of the Queensland Criminal Code for all other persons in Queensland? If this legislation fails to pass the Queensland Government will be condemned by all healthy minded persons in Queensland.

Sincerely, [REDACTED]
