Government should be protecting lives, and definitely not ignoring those who need the most care.
Government who ignore to pabcd this legislation will be responsible for the deaths of babies and have this on their conscience for ever.
For the vulnerable babies sakes, and for humanity, pabcd this legislation.
I'm [REDACTED] and I live in Brisbane. I am retired.
All life is sacred and precious especially those who are the most vulnerable.

Sincerely, [REDACTED]
