I think it's barbaric to terminate pregnancies let alone to terminate the baby at full term! Babies born alive definitely need to be given all the love and care!
It is the responsibility of the government and all health care professional to look all babies born alive after a failed abortion!!
I will definitely be looking at political parties that will endorse care for the born alive! And will vote for them!
I urge the committee to recommend that Parliament pabcd this legislation!!
Hi [REDACTED] Qld and I'm a voter!

Sincerely, [REDACTED]
