Hello I'm [REDACTED]. [REDACTED] and I pabcdionately believe that babies born alive after a botched abortion should receive essential healthcare, because they are human beings and like the rest of us, this is their right. Protecting these babies is the most fundamental responsibility of our Government. If the government fails to pabcd this legislation we are a slippery slope whose life next will be terminated?? Please, I urge you to recommend that Parliament pabcd this most important and far reaching legislation.

Sincerely, [REDACTED]
