Hi, I'm [REDACTED] and [REDACTED] and I am retired and a christian.  
These babies have been created by God for God and He will be the judge of the decisions you make with regard to His own.  
You have by your actions allowed this to happen by allowing late term abortions and therefore you are responsible for these babies and if they live like some will, the government will be paying for the medical costs for many years to come.  
You will be held accountable when you face your maker. These babies will be the ones testifying against you. This is an easy fix. A doctor has sworn "to do no harm". This means that by doing nothing they are doing harm. Even if the child dies it is worth looking after for the time it is alive.

Sincerely, [REDACTED]
