Public Submission by Patricia Magee.

Hi, I'm Pat and I live in Elimbah.  
I am a mother and a grandmother who believes that all babies are precious and should be protected and nurtured.  
If our government fails in its responsibility to protect our youngest and most vulnerable members, it is failing all of us. What is more fundamental than protecting those that cannot fend for themselves?  
If these very basic provisions do not pass, Queensland will be seen as a place where those who desperately need protection are being denied it.  
Please pass this legislation and give our babies who survive abortion the opportunity to live.

Sincerely, Patricia Magee
