I believe it is a human right of all babies who are born alive during an abortion to be provided with healthcare. The protection of these most vulnerable babies lives is the most fundamental responsibility of the Government. Failing to pass Queensland Babies Born Alive Bill legislation is leaving our most vulnerable babies to die a painful death without any compassion or care. I urge the committee to recommend that the Parliament pass this legislation providing babies born alive during an abortion with healthcare.  
Hi, I am [REDACTED], [REDACTED] and am a wife, mother, grandmother.

Sincerely, [REDACTED]
