The chance of a life well lived is wiped out by not providing health care. Perhaps every Politician who voted for this law should wonder if that had been his/her Mother's choice?
They will have blood on their hands.
Please do the right thing and save these beautiful babies.
Hi, My name is [REDACTED] and I am an 80 y.o. retiree.
Unless health care is provided for these babies, there should be charges laid for abcd. There should be no choice "to save or not to save". There are childless couples wanting to adopt.

Sincerely, [REDACTED]
