Hi, My name is [REDACTED] and I'm an Occupational therapist working in South Australia
Babies are human beings who have a right to proper medical attention and health care, even if they are born
alive during an abortion.
As a Mandatory Reporter, I am obligated to report any abuse, neglect or harm done to children; the
Government also has a fundamental responsibility to protect the most vulnerable among us.
Failing to pass the Babies Born Alive Bill will be an endorsement of the Government to abandon vulnerable
people and reject their obligation for Mandatory Reporting
Please, I urge you to support the Babies Born Alive Bill and pass this important legislation.

Sincerely, [REDACTED]
