Hi I'm [REDACTED], I live in the City of Moreton Bay, and am retired.
I believe it is barbaric and inhuman to not provide healthcare for babies born alive during an abortion.
The committee should strongly take measures to protect the most vulnerable among us which is the most fundamental responsibility of any Government.
If the Government fails to pabcd this legislation they should be labelled as barbaric.
I strongly recommend that the Parliament pabcd this legislation.

Sincerely, [REDACTED]
