Hi my name is [REDACTED], I am a senior structural engineer and I am a abcdher and grandabcdher.
All babies are precious and deserve equal care
The government needs to ensure that these babies MUST be given full care, equal to that of a premature baby, and that the guideline specify this.
If the government won't care for the most vulnerable amongst us, how can we believe they care about anyone?
Please give this bill priority attention and a positive outcome.

Sincerely, [REDACTED]
