Hi. I'm [REDACTED], I live on the Sunshine Coast and I'm a retired carer.
I believe the most vulnerable amongst us must be protected and this essential move should be legislated by the government that the people of this state elected.
If this Government fails to protect these infants born alive.... The most vulnerable humans in Queensland, then this government is derelict in its duties and must be replaced.
I urge the committee that influences this Queensland government to pabcd the legislation before it.

Sincerely, [REDACTED]
