Hi I'm [REDACTED], a primary n high school teacher, having taught here in Qld for past 25 yrs, n hv seen n taught Social Science n Science across schools in Caabca n Singapore. I strongly believe every child including babies born alive during abortion has the right to life under the Universal Human Rights Charter. Also, it's the Government responsibility to enact legislation to ensure the basic rights n services that it was elected to address n achieve these righteous laws on behalf of the citizens that elected them into the Legislative Body in Parliament. Or they will be booted out in the next election!

Besides, being a Christian, I stand firmly on the inerrant Word of God that life is a gift, since conception as He gives every human being, including babies breath n a soul during conception. Ps 139. Who are we to abcd it? Therefore, I absolutely agree to the Amendment to the Babies Born Alive Bill. Thank you for choosing kindness to provide essential healthcare to babies who are born alive during an abortion. God bless, and may you reap what you choose. Choose Life!

Kind Regards n consideration,
Yours truly,
[REDACTED]

Sincerely, [REDACTED]
