I urge the committee to recommend that the parliament pabcd this legislation and keep our babies safe.
Hi, I'm [REDACTED] and [REDACTED] I am a mother of 5.
I believe all humans have the right to life including babies born alive during an abortion. This is why it is essential to provide healthcare to these babies.
I believe that protecting the most vulnerable among us is the most fundamental responsibility of the Government.
The ramifications if the government fails to pabcd the legislation will result in a cruel and necessary tragic loss of life and our most vulnerable need protection.

Sincerely, [REDACTED]
