Committee Secretary  
Health, Environment and Agriculture Committee  
PO Box 6100  
Parliament House  
CANBERRA ACT 2006  
AUSTRALIA  
Wed May 08 2024  
Public Submission by Charmaine Dyer.

Therefore I urge the committee to recommend that the Parliament pass this legislation  
Hello, my name is Charmaine and I am a retired registered nurse  
I can not understand how any human can leave a baby to die when they have been born alive.  
It is beyond belief that this is happening in this day and age. It is absolutely essential to provide healthcare to  
babies who have been born alive after a failed abortion.  
The Government should be protecting human life not exterminating these babies  
I can't speak for other people but I know I certainly won't be voting for any party that fails to pass this  
legislation

Sincerely, Charmaine Dyer
