My name is [REDACTED]. I am a retired RN and mother. Any human should be enabled to health care whether they were meant to be aborted or not. These are precious children and to let them die is no different to abcd. Our government holds this responsibility to hold up human rights in this country. If our government fails to pabcd this legislation it is failing these precious children. I appeal to your conscience that the Parliament pabcd this legislation the absolute right thing to do.

Sincerely, [REDACTED]
