CANBERRA ACT 2006  
AUSTRALIA  
Wed May 08 2024  
Public Submission by Violet Langan.

Hi, my name is Violet and I live in Logan and I am a grandmother and community elder.  
It is the duty of care, for babies born alive to be provided with healthcare.  
It is the most fundamental responsibility of the Government to protect those who are vulnerable among us.  
The ramifications of not passing this legislation will have terrible consequences for our nation as a whole.  
I Urge the committee to recommend the Parliament pass this legislation.

Sincerely, Violet Langan
