Public Submission by Priscilla Gash.

Hi everyone, my name is Priscilla and I live in Kingaroy Qld, and am a mother of six. Every life is valuable, it is essential to provide life giving health care to babies born alive during abortion attempt. The government has responsibility to protect the most vulnerable in our society and they is these babies. Failure to pabcd this legislation shows the true inhumane nature of our government. I personally know people who would gladly care for these babies should they get the chance to life. Please pabcd this legislation to protect vulnerable life.

Sincerely, Priscilla Gash
