Public Submission by Jan Mills.

Greetings. My name is Jan. I live in Logan. Now retired, I was self employed.
If a woman gives birth to a baby which is sickly, all will be done to save the baby. Surely a failed abortion results in a live baby. Why is that life not valuable?
Vulnerable people are afforded rights and Governments pass Bills to protect them. A failed abortion results in a vulnerable baby. What are their rights?
If the Government fails to pass this legislation, society then becomes party to a form of genocide. Abortion is already party to it.
I urge you to pass this legislation so that we are able to have a clear conscience, be it ever so minute.

Sincerely, Jan Mills
