I urge the committee to recommend that the Parliament pass this legislation. Put yourself in that child's position - a newborn, not receiving any care to help it survive and just left to die.
Hello, I'm [REDACTED], and [REDACTED] and I am a pensioner.
I believe that every child born has a right to life whether they were planned or not. They didn't ask to be born. They cannot speak for themselves so I want to act on their behalf. Protecting the most vulnerable among us is the fundamental responsibility of the Government.

Sincerely, [REDACTED]
