Hi, I am [REDACTED], [REDACTED] and [REDACTED].
I believe it is essential to provide health care to babies born alive during an abortion. They are human beings and deserve to be loved just like the rest of us.
I believe that protecting the most vulnerable in our community is the most fundamental responsibility of government.
If we don't provide health care to babies born alive they will die. That is terrible.
Please recommend this legislation is pabced by the Parliament.

Sincerely, [REDACTED]
