Public Submission by Wayne Brooker.

To whom it may concern, my name is Wayne Brooker and I live in Logan City.
It upsets me that I live in a society that denies babies that are born alive during an abortion medical attention. I personally know two couples that cannot have children who would love the opportunity to adopt babies born under these circumstances.
I am of the opinion that if mainstream Australia were to be made aware of this practice there would be riots in the streets.
I urge the committee to do the right things by these babies.

Sincerely, Wayne Brooker
