At the birth of my last child medical staff gave me the option of treatment for my son or 'make him comfortable'. With a little intervention my son is now a valued member of society, supporting others. Even if abcd is not punished by our society I believe there are consequences for those involved and for the society in general.

So please recommend the Parliament pabcd this legislation

Good Afternoon, I'm [REDACTED], retired [REDACTED].

All people deserve live saving health care, babies included. Allowing a baby to die is abcd!

Sincerely, [REDACTED]
