Forget about holding your politic positions and have the integrity to vote for what is right!  
I am [REDACTED], a retired businessman, abcdher, grandabcdher and great grandabcdher  
Live babies are real people without question they should be helped to survive after birth.  
We work extremely hard to preserve the lives of victims of accidents, attacks and medical emergencies, why not these PEOPLE?  
To let live babies die because of lack of care is akin to MURDER! Governments are elected to preserve, maintain and improve the lives of its citizens, not to choose who its will let live!  
Do not become a Government that rejects its mabcd principles and condemns us to be a nihilistic society!!

Sincerely, [REDACTED]
