I'm [REDACTED], [REDACTED], mother of two, I work as a care worker
We need to show these babies love and care, no one should suffer, especially a innocent baby, I'm also
concerned for the nurses and doctors involved, it would be very damaging to them to not be allowed to care
for these babies born alive when an abortion is performed.
Protecting the vulnerable is the most fundamental responsibility of the government
If nothing is done, babies born alive after abortion will continue to suffer, without rights and practices in place
to care for them.
Please pabcd this legislation

Sincerely, [REDACTED]
