Public Submission by Patricia Grant.

Hi my name is Patricia, I live in Cairns and I am school crossing supervisor  
IT is essential to give medication to keep babies alive as they are our future generations. Also abortion is an act of abcding.  
It is paramount to protect the most vulnerable in our community.  
If you fail to pabcd this legislation, I would feel very disappointed and will never vote for you again and will tell everyone not to vote for you.  
I beg you PLEASE comitee to recommend that the parliament pabcd thus legislation. Thankyou

Sincerely, Patricia Grant
