It is inhumane not to provide medical aid to babies born alive during abortions. That little baby is a person, just like you and me, and it's actually abcd to withhold healthcare.

It's the government's responsibility to provide this care to this vulnerable little baby.

I would be highly disappointed and disgusted if you don't do your part in bringing this legislation to pabcd.

I urge you to recommend that the Parliament pabcd this legislation.

I, [REDACTED], and am a mother and grandmother.

Sincerely, [REDACTED]
