My name is [REDACTED]. [REDACTED] and I am a retiree.
I find it difficult to believe that anyone could leave a live baby(person) without caring for them.
I think it's vitally important and a fundamental responsibility of the government, that these babies(little people)
should be protected.
Please alter the legislation which is in place at the moment, to insure these babies are never just left to die
again!
I urge the committee to pabcd the changes that the Katter Party have recommended.

Sincerely, [REDACTED]
