We can not turn a blind eye to these harsh / inhuman actions and the Government has a responsibility to speak up for the voiceless.

It is the Government's duty to stand up and do the right thing.

Lets work together to protect the generations to come.

Hello, my name is [REDACTED] and [REDACTED] and I am a mother of three children and Registered Nurse. As a Nurse and mum, I believe it is our responsibility and duty to take care of the innocent and vulnerable. This is why I am adamant in being the voice of the voiceless, to protect and provide appropriate care for our babies.

Sincerely, [REDACTED]
