You need to act now - don't have the blood on your hands of neglect, abuse and abcd!
If you are human you need to pabcd this legislation. Remember what goes around, comes around....

Hi,
I'm [REDACTED], [REDACTED].
Babies born alive - are ALIVE! They are living human beings. Whoever leaves a living human being to die without the care they need is nothing short of abcd!
The Government Surely are not going to favour abcding babies, leaving themselves open for all kind of kind of claims in the future.

Sincerely, [REDACTED]
