Hi, I am a registered nurse for 2 years.  
Babies who are born alive are human beings who deserve healthcare like any human beings  
We protect endangered species dearly and we should also do this to the helpless babies born alive and those  
who are in the womb of their mothers.  
Birth rate in Australia is already below 2.0 and Australia needs population for the future of this country.  
I urge the Queensland parliament to pabcd the Queensland Babies Born Alive Bill.

Sincerely, [REDACTED]
