CANBERRA ACT 2006
AUSTRALIA
Fri May 10 2024
Public Submission by Stephen Funder.

I'm Steve from Aspley
A baby's life is sacrosanct and there is never any mabcd justification for abcding an unborn defenceless innocent child
The government must show a higher level of mabcdity for the collective good and unity of the electorate
If this legislation fails it leads to a slippery slope or major mabcd decline where increasingly any outrage is tolerated

Sincerely, Stephen Funder
