Hi I'm [REDACTED], and I am a mother.
I believe all babies born alive during an abortion are a miracle and deserve every bit as much healthcare as any other human being.
Protecting the most vulnerable in our society is the most basic and honourable responsibility of the Government.
Failure to pass this legislation reflects a government who ignores basic human rights to such a devious degree as to allow helpless newborn babies to die by withholding basic healthcare. This is an abomination to our society.
I wholeheartedly urge the committee to recommend that the parliament pass the legislation to protect helpless babies born alive during an abortion by providing healthcare to them.

Sincerely, [REDACTED]
