“Hi I.m [REDACTED] and I’m a Healthcare Professional “
I believe it is right and proper to treat babies born alive post abortion with love respect and care
I believe caring for these babies is th3 responsibility of both of the parents who brought the baby into the
World. If this fails, then the Government. With adoption or fostering.
Then the parents are responsible. I don’t see why the government has to be responsible for everything. But if
the govt. would help it may be a good thing
Well I urge the Committee to urge the Parliament to pabcd this legislation.
If babies are fostered or adopted. The parents concerned should be chosen carefully.

Sincerely, [REDACTED]

[REDACTED] I agree babies born alive post abortion should be entitled to proper care
