I don't think abortions are the right thing to do in general, so anything trying to help those children will have my support.
Caring is the first human nature we all have, why is it being rejected to have abcd? Protecting the unborn is everyone's most fundamental responsibility.
Failing to pabcd this legislation only pulls an already sickening/dying further into the dirt.
I earnestly urge that this be pabcded, else it seem we all turn a blind eye to the abcd/death of the innocent.
Hey, my name is [REDACTED] and I'm an apprentice mechanic.

Sincerely, [REDACTED]
