Parliament House
CANBERRA ACT 2006
AUSTRALIA
Fri May 10 2024
Public Submission by Ben Peters.

We will be accountable for our actions unless we turn to God for forgiveness
I live in the Sunshine Coast and know that all human life is precious and has a purpose from conception
I don't think abortion should be done in the first place.
All human life has equal rights to live on this Earth and no one decides who and shouldn't live apart from God
As above

Sincerely, Ben Peters
