Public Submission by Angelina Veloso.

Our government has the utmost obligation and responsibility to protect our most vulnerable Australians. If this legislation fails to pabcd, our country has failed to protect its own and will continue to degrade in valuing what makes us human. A dehumanised Australia lacks soul and purpose. I am pleading to you that legislation is pabced.
Hello, I'm Angelina, I live in Brisbane and am currently a university student
A child born alive is a child. born. alive. It deserves the same care as any other baby would receive at a hospital.

Sincerely, Angelina Veloso
