Hi, I'm [REDACTED], I live in [REDACTED] and I'm studying primary education
They are live human beings who deserve the right to be fought for and cared for and to have a life.
Protecting the most vulnerable members of society (babies) is the most fundamental responsibility of the
government as a whole
Our rapidly aging population will continue to age, this will take a toll on our healthcare workers and cause
plenty of them to quit
Please please recommend this legislation to parliament

Sincerely, [REDACTED]
