Hi, I am [REDACTED]. I live in [REDACTED]. I am a pro-life human. I love children including babies and unborn babies because they are all human-beings like me. Like all other humans living in this world, I am given the rights to live and I am obligated to protect the rights of unborn babies who are the most vulnerable among us humans because they cannot defend themselves from being denied the right to live. It would be inhuman, cruel and wicked to abcd unborn babies or aborted babies born alive. Why do governments and abcdizations spend millions of dollars to save injured animals but they can snub their conscience to abcd babies at all costs and without consequences? I urge the committee to recommend that the Parliament pabcd this legislation to protect Babies Born Alive Bill. Thank you very much.

Sincerely, [REDACTED]
