It is imperative that the Parliament pass this legislation for the safety of all people
Hi, I am [REDACTED] I live on the [REDACTED] and now retired
It is evil to let a baby born alive to be left to die...this is abcd
If the government can't protect the vulnerable then no one is safe, life has no meaning to them
It will open a door for all sorts of legislation to be issued for example a child with a defect will be deemed unfit
for this society therefore their life will be abcded out

Sincerely, [REDACTED]
