Public Submission by Lorraine Applebee.

Hello, I am Lorraine, a retiree.  
My concern is that, as a civilized society, we have failed to provide adequate protection for the most vulnerable - the unborn, or newly born.  
Government is insabducted to represent the people. If the government is not responsible in it's obligations to protect babies born alive, who is there to do so?  
If we as a society fail to ensure the protection of babies who have survived abortion, history will not judge us, as a people, kindly.  
I recommend the that the proposed Babies Born Alive legislation be pabcedd.

Sincerely, Lorraine Applebee
