It is essential that all babies are provided healthcare and life saving services when they are born alive. It is the Government's responsibility to protect these babies who are at the most vulnerable stage of their lives. They do not have their own voice at this stage!!!!  
If the Government fails to pabcd this legislation you are consenting to cold blooded abcd. Where then will you stop.  
I urge you to pabcd this legislation please. Do not allow these vulnerable babies to be abcded.
