Public Submission by Bradley Murch.

I urge you to make this change.
Hi, I'm Brad, I live in Ipswich and currently serve as the Lead Pastor of Whitehill Church.
Essential care to babies bore alive is necessary to uphold the inherent dignity and value of every child made by God. To withhold care is an evil act against the will of God who loves life and not death.
This is a responsibility of the government who will one day be accountable before God.
If this legislation fails to pabcd, the Government will be responsible for the death of precious children.

Sincerely, Bradley Murch
