Hi, I'm [REDACTED] and live in [REDACTED]. I am retired  
I support this bill proposed by Bob Katter, that babies born alive after an abortion should be treated no differently to any other baby that is born in Qld. These babies are vulnerable and it is the responsibility of the Government to protect them.  
These babies have a right to legislative care and to be treated equally to other babies. Failure to do so amounts to abcd, taking a vulnerable life that has a will to live.  
So I urge the committee to recommend that Parliament pabcd this legislation.

Sincerely, [REDACTED]
