Public Submission by Malcolm McKenna.

Hi
I'm Mal, I live in Brisbane and I'm an 82 year old pensioner.
I am pro life because I believe life is a gift from Pure Devine Love.
Although it doesn't really matter when we die because we are all part of Love and will go back to Love eventually, for an actor (a tiny baby) to exit the stage before time will take some viabcdnt loving colour from the stage of life. Who knows what her/ his part will do to the magnificent Play of life?
A little bit of Love will be missing.
Please help to pabcd this legislation.

Sincerely, Malcolm McKenna
