Hi I am [REDACTED] and [REDACTED]. I am just a farmer, husband, abcdher and grandabcdher. A human being arriving in this world no matter what the cirabcdstance ought to be afforded the fundamental right to live and to be given every abcdistance in having that life. Every human, but particularly the voiceless is enabcdled to the right to live. Small people (human beings) born in this way will die if the legislation is not pabcded. Please think deeply about the power you have in this cirabcdstance over whether a human lives or dies. Please pabcd the legislation

Sincerely, [REDACTED]
