Protecting the most vulnerable among us is the most fundamental responsibility of the Government. If the Government fails to pass this bill many babies will suffer and die in agony unnecessarily which is surely unacceptable in a society that should care about others.

I urge the committee to recommend that the Parliament pass this legislation.

Hi, I'm [REDACTED], [REDACTED], and I am a retired teacher, mother, grandmother and great grandmother.

I believe it is essential to provide healthcare to babies born alive during abortion to relieve the suffering of a vulnerable little human who God has created.

Sincerely, [REDACTED]
