And, if babies are alive during an abortion, they should receive proper medical attention to survive. It is a responsibility of the Government to protect the most vulnerable among us. If the Government fails to pabcd this legislations, it will mean that millions of human beings (babies) will suffer a horrible death after being tortured in the womb of their irresponsible mothers. It is very urgent the Parliament pabcd this legislation to give those babies who are born alive after they are aborted an opportunity to live.  Sincerely,	i.
