Dear Committee,
My name is [REDACTED], and am a Registered Nurse and mother of five.
Babies born alive after an abortion MUST be given the same treatment as every other child. We CANNOT withhold healthcare, because an individual is deemed "unwanted". EVERY person deserves the same rights. Protecting our most vulnerable Australians is the most fundamental responsibility of the government, and we need to pass this legislation to ensure this occurs.
I hope there is no question in your minds that passing the legislation to protect ANY baby born alive is the right thing to do.

Sincerely, [REDACTED]
